Good Afternoon Baldy View ROP Student,

I hope you and your family are healthy and safe.

I am writing with the good news that you may be eligible for additional grant funds based on "Significant Unexpected Expenses" due to the Coronavirus Pandemic. The Emergency Relief funds are made possible through the Higher Education Emergency Relief Fund American Rescue Plan (HEERF III).

We are requesting that students **submit the attached application for “Higher Education Emergency Relief Fund Grants to Students (Coronavirus Pandemic – “Significant Unexpected Expenses”)**”, to qualify for the financial support. Once BVROP is ready to distribute funds, we will notify all eligible students who completed an application with further information regarding their grant funds.

**Please submit your application by Monday, November 1, 2021 to be considered**, and check your emails regularly for important updates about your eligibility to receive grant funds and details on how to receive the funds when they are released.

In addition to completing the attached application, all eligible students will have an opportunity to complete a Written Consent Form if they wish to authorize Baldy View ROP to apply a specified portion of their Emergency Financial Aid Grant to their Student Account.

For more information, or if you have any questions about this information, please reach out to me via email and Cc: [koria\\_january@bvrop.org](mailto:koria_january@bvrop.org) our Fiscal Analyst.

Across the BVROP Campus, we are committed to your continued educational success and look forward to providing additional needed support.

Kind regards,
