Supporting documents to the posted agenda are available for preview at the ROP office and upon request. Please contact the Superintendent's office at (909) 947-3400 ext. 1230.

BALDY VIEW REGIONAL OCCUPATIONAL PROGRAM
July 29, 2020

TO: Sue Ovitt, Commission President, and Commission Members
FROM: Dr. Shelley Adams, Superintendent
SUBJECT: Reopening Schools in a COVID-19 Environment

BACKGROUND INFORMATION

Baldy View ROP recognizes the importance of protecting the safety of all students and staff and preventing the spread of illness arising from COVID-19 during the 2020-2021 school year. After consultation with San Bernardino County Department of Public Health (SBCDPH) and other local officials, the ROP developed plans to offer two instructional models for students to attend school until returning to a traditional schedule is feasible:

- Hybrid Instructional Model/Schedule – blended, in-school and remote learning (Hybrid)
- Complete Distance Learning Model/Schedule – all remote learning (Distance Learning)

CURRENT CONSIDERATIONS

On Friday, July 17, 2020, Governor Newsom announced his plan for learning and safe schools. He stated, “in California health data will determine when a school can physically open-and when it must close-but learning should never stop. Students, staff, and parents all prefer in-classroom instruction, but only if it can be done safely.” Due to the recent surge in COVID-19 cases within the ROP’s boundaries, as reflected in the *San Bernardino County COVID-19 Incident Rate by School District* report, ROP must begin the school year with remote learning until such time as conditions warrant a transition to a hybrid model.

The ROP will continue to work with the San Bernardino County Superintendent of Schools and SBCDPH officials to determine when it is feasible and safe for students to return to campus. Per Board Policy 2210, the Superintendent will act on behalf of the ROP to determine the most effective instructional model, based on current statistics.

The Instructional Models design is available for review upon request.

FINANCIAL CONSIDERATIONS

None at this time.

RECOMMENDATION

It is recommended that the Commission approve the following instructional models for student learning during the 2020-2021 school year: (a) Hybrid Instructional Model/Schedule and (b) Complete Distance Learning Model/Schedule.

ADMINISTRATIVE DISCRETION REGARDING ROP POLICY

Through the adoption of written policies, the Baldy View Regional Occupational Program Commission conveys its expectations for actions that will be taken in the Baldy View Regional Occupational Program (ROP), clarifies roles and responsibilities of the Commission and Superintendent, and communicates Commission philosophy and direction. However, the Commission recognizes that, at times, issues may arise in the operation of the ROP programs that are not addressed in Commission policy or administrative regulation. When resolution of such issues necessitates immediate action, the Superintendent or designee shall have the authority to act on behalf of the ROP.

(cf. 2110 - Superintendent Responsibilities and Duties)
(cf. 9000 - Role of the Commission)
(cf. 9310 - ROP Policies)

If the matter involves a policy decision where controversy is foreseeable, or a matter that has a significant impact on student learning or safety, the Superintendent or designee shall notify the Commission as soon as practicable after its occurrence. The Commission President and the Superintendent shall schedule a review of the action at the next regular Commission meeting. If the action indicates the need for additions or revisions to Commission policies, the Superintendent or designee shall make the necessary recommendations to the Commission.

(cf. 9322 - Agenda/Meeting Materials)
